

We give you
good protection

– and options.

Your new home probably comes with a manufacturer's warranty. Now you can enjoy similar protection for much longer – at only pennies a day – with American Home Guard, the ultimate extended service plan. **American Home Guard can also protect some items in your home not typically covered by a standard manufacturer's warranty.**

Read Your Service Contract Carefully.

This brochure contains summaries of coverages that are available. For a complete description of coverages, exclusions, conditions and limitations, please refer to and read your service contract carefully.

Five Ways American Home Guard Benefits You

There are at least 5 reasons to purchase American Home Guard for your new home:

- 1. Extended protection, for pennies a day.** When you consider how long the extended service plan protects your home and the items in it, it's very affordable. That's peace of mind for you, because many items covered by the plan can cost more to replace or repair than the cost of the plan itself. Plus, it protects you long after the manufacturer's warranty expires.
- 2. No big repair bills, only a \$50 deductible.** You pay a \$50 deductible. We pay for the rest, including parts and labor.
- 3. Fast, easy claims service.** If you need to make a claim, just call our toll-free number and one of our specially trained claims representatives will help you.
- 4. Transferable coverage can help sell your home.** Should you sell your home, you can transfer American Home Guard to a new owner. This can make your home more valuable to a potential buyer, making it easier to sell – possibly even at a higher price.
- 5. A company you can trust.** American Home Guard is brought to you by American Modern Home Service Company, a member of American Modern Insurance Group. The Group is rated A+ (Superior) by A.M. Best, an independent rater of insurance company financial stability. The A+ is an assurance that the company can help you when and if you need it.
